

HarborTown's merry treasures will brighten the holidays!

When you walk through the doors, take a moment to just gaze – you're going to want grab everything in sight to make your home shine for the holidays. Bright colors in fun furniture will make guests smile the moment they arrive at your home. Choose comfy, quality, name-brand furniture for evenings of conversation and celebration. Looking for a gift that goes beyond the same-old, same-old? HarborTown has a treasure trove of holiday gifts and seasonal decor.

Stephanie Grill, MaryKay Hylton and Kerry Cressler have created the destination shop along the coast for the casual, relaxed lifestyle with an amazing collection from complete living room and bedroom groups to accessories and finishing touches.

Not sure how to get the look you're after? Or simply don't have enough time? Kerry, Stephanie and MaryKay specialize in in-home consultations to suggest choices that reflect your personality and assure you and your guests' comfort for the holidays and beyond.

"You don't always have to re-do the whole house or room," says Stephanie. "Sometimes all it takes is rearranging a few furnishings, then adding accent pieces to reflect the season, all at minimal cost." Think fresh fabrics, a table of driftwood and glass, a fabulous rug.

HarborTown Interiors seeks out items made in the U.S. from re-purposed materials. With their fascinating finds, it's like having your own personal shopper.

Lovers of the eclectic will revel at gifts that are out-of-the-box original and environmentally friendly. Those who favor an urban flair will find room settings with weathered wood, industrial feel and pieces with chrome accents. Their vast fabric selections and resource library will satisfy – no matter what you favor.

"We stay ahead of the trends," says Stephanie. "We don't leave anything to chance and we get it right the first time. We have what it takes to make your home festive!"
